If you are a member of an insurance plan that is not listed, please call us and let us check on it for you.

(We will file claims for any of the above insurance companies for you. We are also happy to provide you with services for **Out of Network** insurance companies but **we will collect, in full**, any fees incurred on the date of those visits and provide you with an itemized receipt, so that you may file for direct reimbursement.)

At the time you schedule your appointment, our office staff will ask you for pertinent insurance information needed to verify and/or pre-authorize your insurance coverage. *Many insurance companies now require pre-approval or pre-authorization before eye care services are rendered, and if this is not received prior to you receiving services, the insurance company will not pay the bill and you will be responsible for the fees.*

***Patients who carry Health Care and/or Vision Insurance must remember that professional services are rendered and thus charged **to you the patient, not the Insurance Company.**

***Our office makes every effort to obtain accurate benefit information for you prior to your visit. However, our quote of benefits to you **does not guarantee** payment to us by your insurance company. You are ultimately responsible for knowing your own insurance benefits and **are responsible for any balance on your account should your insurance company payment differ from our preliminary quote.**

***Even though we file your insurance claim, this office cannot accept responsibility for negotiating a settlement on a disputed claim. **You are ultimately responsible for the balance on your account should your insurance company deny your claim for any reason.**

ASSIGNMENT OF BENEFITS AUTHORIZATION

I understand and agree that, regardless of my insurance status, I am ultimately responsible for the balance on my account for any professional services rendered or goods purchased. I hereby assign and authorize my insurance carrier(s) to issue payment (checks) directly to Nietling Optical, PA, for medical and/or visual services rendered to myself or my dependents. I authorize release of any information concerning my or my child's health care, advice given, and treatment provided for the purpose of evaluating claims for insurance benefits and agree to allow a photocopy of my signature to be used to process insurance claims.
